Sir,

With reference to your letter No.L.5011-Med.5-24-12, dated the 16th January 1925, requesting me to obtain from the donors of the buildings at Bukkambudi, proper registered deeds of gift in favor of Government, I have the honor to submit the registered deeds of gift whereby the owners of four buildings have unconditionally made them over to Government for the location of the dispensary and the residence of the staff. Although two persons who had at first agreed to give their buildings, subsequently withdrew their promise, yet other residents promptly came forward and the required accommodation for the dispensary and for the staff is now secured. The Sub Division Officer, who is aware of my views, has undertaken to have the slight improvements made to the buildings to suit them for the different purposes for which they are intended.

The entire correspondence that has taken place between me and the Sub Division Officer in this matter is herewith submitted in original for kind perusal and favor of return when done with, the registered deeds alone being kindly retained by Government. As the resiffents are anxious to have the dispensary opened either on the 11th or the 27th of February 1925, I request the

favor of very early orders accepting the gifts and permitting their use for the location of the dispensary and free residence of the Sub Assistant Surgeon, the Compounder and the Midwife to be attached to that institution.

I have the honor to be,

Sir,

Your most obedient servant,

R Wilson

Senior Surgeon.
